GIVE THE GIFT OF GOLF THIS HOLIDAY *And Help Maryland Children Breathe Easier*

HUNT VALLEY, MARYLAND – This holiday season, give the gift of golf to a friend or loved one and help support a great cause, too! The 2006 American Lung Association of Maryland Golf Privilege Club gives discounts to over 170 area courses and helps support education and research of pediatric asthma, a potentially fatal lung disease affecting more than 150,000 children in Maryland alone.

The Golf Privilege Club membership provides substantial savings on greens fees, driving ranges, golf lessons, mini-golf and at course restaurants and pro shops throughout Maryland, Delaware and Pennsylvania.

And the best part is...memberships are only \$20.00 each, plus shipping and handling. Memberships can be mailed directly from the American Lung Association of Maryland to the golfer.

Funds raised help support asthma research and education programs for children with asthma, including Camp Superkids, a one-week camp for Maryland children ages 7-12 suffering from asthma, and Open Airways for Schools, an outreach program to children in elementary schools throughout the state.

The Golf Privilege Club can be ordered TODAY by calling 1-800-642-1184 ext. 233 or emailing us at golf@marylandlung.org.

###

The American Lung Association of Maryland is the leading organization in Maryland working to prevent lung disease and promote lung health. With the generous support of the public, the American Lung Association of Maryland is "Improving life, one breath at a time."

For more information about the American Lung Association of Maryland or to support the work it does, call 1-800-642-1184 or log on to www.marylandlung.org
