## Lung Association Receives Community Grant from Local Allstate Agent

### *Perry Hall resident is active in Lung Association events*

Hunt Valley, Maryland - Allstate Insurance Company agent Scott Schiavone of Perry Hall has donated an Allstate "Agency Hands in the Community" grant in the amount of \$500 to the American Lung Association of Maryland. Schiavone has been involved with the Lung Association for several years, participating in fundraising events like the Chesapeake Bay Asthma Ride Bike Tour held each June in Salisbury, and the Maryland Wine Festival Asthma Bike Tour held each September in Carroll County.

"It's important to me to be involved with my community, not just as a business owner, but also as a supporter of an organization whose goal is to continue to ensure that our community stays healthy and remains supportive of those in need," says Schiavone, whose office is in Rosedale.

The grant will support the programs of the American Lung Association of Maryland.
